Share One Relocations for Future Growth

Memphis TN- Share One, Inc. will move on Oct. 1, 2008 from their current corporate headquarters at Colony Park Drive to Thousand Oaks Business Center in East Memphis. Share One offers core processing solutions and technology consulting for credit unions nationally and has been operating in Memphis since 1974. For 19 years, the corporate office has been located at the Colony Park facility and now occupies space in two separate buildings.

Share One employees will make the move to accommodate future expansion needs. Record sales growth in 2008 propelled the executive management team to focus on a strategic plan that will provide adequate space for additional staffing needs and offer greater amenities for both staff and clients that visit the corporate office. The Thousand Oaks Business Center offers an on-site deli, health club, a 24-hour security staff and is conveniently located near several hotels.

Share One, Inc., President/CEO, Daryl Tanner said, “The move is highly anticipated and welcomed by management and staff. The space will improve work flow by unifying and positioning employees in common areas, provide security including gated access and electronic access control, and will provide many value-added amenities in a beautiful environment. We want to reassure our clients that service will not be affected by our move, our staff and technology support will remain available without interruption,” said Tanner.

Share One, Inc. is a CUSO with a client base of credit unions to \$1 billion asset base and is a leading developer of credit union software solutions. Their innovative core-processing product, NewSolutions, provides a full range of advanced features, including comprehensive lending support for consumer, mortgage, and commercial loans, a full suite of electronic services delivered via the Internet, and superior operational efficiency. Share One delivers superior support and boasts a 100% client retention rate. For more information call 800-888-0766 or visit online, www.shareone.com.
