Share One Renews Long-Term Contracts with Five Credit Unions

Memphis, TN.—Share One, a core processing provider serving only the credit union industry, announced that five existing Share One clients renewed five year service agreements to continue processing core data using the NewSolutions system. The top reasons cited by the executives for continuing with NewSolutions were: personal and responsive service, flexible technology, streamlined work-flow process, and reliable on-going cost control.

The credit unions that renewed their contracts for another five years were:

- Railroad Federal Credit Union, assets-\$103 million, Share One client since 1981
- University Credit Union, assets- \$409.8 million, Share One client since 1982
- Core Credit Union, assets- \$38 million, Share One client since 2003
- Country Federal Credit Union, assets-\$37.8 million, Share One client since 2004
- Rural Cooperatives Credit Union, assets-\$37.5 million, Share One client since 2004.

Don Conrad, SVP Sales, Share One, said: “Our top priority is making sure we have repeat customers and we achieve that by building dependable relationships with our clients, and of course, with the power of NewSolutions. Our clients helped design NewSolutions specifically for the way credit unions operate and it delivers an open, flexible, intuitive, and cost effective solution.”

Share One, Inc., a CUSO with a client base of credit unions with asset sizes ranging from \$10 million to over \$1 billion, is a leading developer of credit union software solutions. NewSolutions provides a full range of advanced features, including: comprehensive support for consumer, mortgage, and commercial loans; a full suite of electronic services delivered via the Internet; a fully integrated, member-centric imaging system; and exceptional operational efficiency.
